A compilation of census statistics made by the American Lumberman shows that Florida's rank in the list of States for quantity of lumber and timber products in 1899 was eighteenth, and for value of same twenty-second.—Pensacola Press.

Tax on Babies.

Extreme hot weather is a great tax upon the digestive power of babies; when puny and feeble they should be given a few doses of White's Cream Vermifuge, the children's tonic. It will stimulate and facilitate the digestion of their food, so that they soon become strong, healthy and active. 25c at D. G. Smith's.

The Gainesville News has been purchased by the Hill Printing Company and is now issued as a morning paper. It will take the telegraphic service, put in type setting machines and will be a creditable, up-to-date newspaper in all respects.

Ready to Yield.

"I used DeWitt's Witch Hazel Salve for piles and found it a certain cure," says S. R. Meredith, Willow Grove Del. Operations unnecessary to cure piles. They always yield to DeWitt's Witch Hazel Salve. Cures skin diseases, all kinds of wounds. Accept no counterfeits. W. B. Davis.

The sponge catch at Tarpon Springs this season is said to be the largest in a number of years. Conservative estimates say that its money value will aggregate \$400,000. The spongers and buyers are mutually happy over the great yield in sight.—St. Petersburg Sun.

Filthy Temples in India.

Sacred cows often defile Indian temples, but worse yet is a body that's polluted by constipation. Don't permit it. Cleanse your system with Dr. King's New Life Pills and avoid untold misery. They give lively livers, active bowels, good digestion, fine appetite. Only 25c at B. F. Moseley's drug store.

There is no good reason why Florida should not produce all the sugar consumed in the United States. There are many farmers who have always made their own sugar and syrup, which demonstrates the adaptability of the land to cane growing. Milton Times.

How to Avoid Trouble.

Now is the time to provide yourself and family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over, and if procured now may save you a trip to town in the night or in your busiest season. It is everywhere admitted to be the most successful medicine in use for bowel complaints, both for children and adults. No family can afford to be without it. For sale by all druggists.

In a domestic difficulty which occurred about 11 o'clock Wednesday night, John Conley, the leading merchant of Panasoffee, was shot in the neck by Mrs. Conley, his wife and seriously if not fatally wounded. Mrs. Conley claims self-defense as her justification.

Leads Them All.

"One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says D. Scott Currin of Logenton, Pa. One Minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attack that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take, like it. Sure cure for croup, coughs. W. B. Davis.

John High, who keeps a boarding-house near the Hamilton county Phosphate and Mining Company's works in Hamilton county in a quarrel with his wife last Friday, shot her in the left side, with a pistol, and then turned the weapon upon himself, and fired four shots in his left side. Jealousy is accredited as the cause of the shooting.

Hot Weather Weakness.

If you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This, Herbine will do; it is a tonic, laxative and restorative. H. J. Freegard, Propr Grand View Hotel, Cheney, Kan., writes: "I have used Herbine for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Newton, Kan." 50c at D. G. Smith's.

For the past week the small boys who are allowed to have guns and go to the woods for sport report that a pair of big black bears have been seen and shot at daily on the banks of Lake Ella, a mile north of Tallahassee. A party going out on Monday with dogs separated the bears and ran one of them six miles south of Tallahassee.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Moundville, W. Va. They do me more good than anything I have ever tried." W. B. Davis.

Captain McRae of Pasco county says: "A neighbor of mine planted forty acres in beans, and then purchased a lot of poor cattle and turned them into the patch. They fattened rapidly, and he sold them at a net profit of \$1,000. I am satisfied that with the velvet bean Florida can raise an immense amount of cattle at good profit."—St. Augustine Record.

Read It in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by all druggists.

Manager J. A. McDonald of the Florida East Coast Hotel Company at West Palm Beach has closed up his books for the year ending May 1 and finds that the company paid out in wages alone \$379,500 during the year. This is an average of only \$1,200 a day for each working day in the year. Wages, of course, was only one item of the tremendous expense of the big hotel company, and its total expenditures were doubtless well up in the neighborhood of the \$1,000,000 mark.

Happy Time in Old Town.

"We felt very happy," writes R. N. Bevil, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of eczema." It delights all who use it for Cuts, Corns, Burns, Bruises, Boils, Ulcers, Strains, Inflammation for Eczema. Only 25c at B. F. Moseley's drug store.

The Democratic county Executive Committee of Lake county has decided to allow the voters in the primary to vote direct upon the question of a dispensary or no dispensary in that county.

Violent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by druggist G. W. Roberts of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50c, Salve 25c at B. F. Moseley's.

Hon. William Jennings Bryan, who accompanied Governor Jennings and party to Havana, addressed two thousand people at Gainesville last Friday, on the homeward journey. Col. Bryan spoke for over an hour and met with a splendid reception.

Saved From A Awful Fate.

"Everybody said I had consumption," writes Mrs. A. M. Shields, of Chambersburg, Pa. "I was so low after six months of severe sickness, caused by Hay Fever and Asthma, that few thought I could get well, but I learned of the marvelous merit of Dr. King's New Discovery for Consumption, used it, and was completely cured." For desperate Throat and Lung Diseases it is the safest cure in the world, and is infallible for Coughs, Colds and Bronchial Affections. Guaranteed bottles 50c and \$1.00. Trial bottles free at B. F. Moseley's.

Within a few days a party of ten prominent truck farmers of Barnwell, S. C., and a party from Brunswick, Ga., have notified Mr. J. E. Ingraham of their intention of visiting the East Coast for the purpose of making an examination of the farming lands along the whole line of the East Coast. Their purpose is to purchase lands suitable for truck farming which they will cultivate on a large scale. There has been more inquiry and demand for lands of every description along the line of the East Coast this season than ever before known and sales are made daily by the land department of the railway.—St. Augustine Record.

A Splendid Remedy.

Neuralgic pains, rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bone, and being absorbed into the blood, its healing properties are conveyed to every part of the body and effect some wonderful cures. Mr. D. F. Moore, Agent Illinois Central Railway, Milan, Tenn., states: I have used Ballard's Snow Liniment for rheumatism, backache, etc in my family. It is a splendid remedy. We could not do without it." 25c, 50c and \$1.00 at D. G. Smith's.

The great trial of James Williams for the murder of Mark Bartleson, at Miami, after two weeks, resulted in the conviction of the accused of murder in the first degree, with a recommendation to the mercy of the court. Alex St. Clair-Abrams assisted State Attorney Beggs in prosecuting, and Judge Twiggs, of Georgia, and Mr. Worley, of Miami, defended. C. W. Bartleson of Jacksonville, is a brother to the deceased. The aged father of the defendant fainted when the verdict was announced. The trial was marked by many exciting incidents. The defense was insanity of the prisoner.

Interesting to Asthma Sufferers.

Daniel Banta of Ottumville, Iowa, writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all." Sold by D. G. Smith.
